

## HMBCS Volunteer Opt-Out Form

HMBCS has a volunteer requirement of 5 hours **for each registered player per season** which typically is served by working a shift in the snack bar.

Families can opt out of this requirement by paying a \$150 volunteer opt-out fee per player per season by check or cash in addition to Registration fee. Players of families that do not work the required volunteer hours and do not submit the \$150 opt out fee will be placed on the **No Play list** until the time the volunteer requirement is served or the opt-out fee is received by the Club Treasurer.
